

# ADVANCING CABLE EXCELLENCE CAMPAIGN

You and your company can make a difference. Share the vision. Everyone can benefit. Consider the impact of your giving. You can fund an online course; enable a complete higher education experience, advance a career or advance our industry. The choice in giving is yours. The mandate to give is imperative. Please support the SCTE Foundation so it will be there for your employees, for the industry and for you, now and in the future.

## OUR MISSION.

The Mission of the SCTE Foundation is to increase the technical, business and leadership skills of the telecommunications engineering workforce, attract and recruit women and minorities into an engineering career, and position the telecommunications industry as a desirable career opportunity for aspiring young people in the early stages of their careers.
